

# LIRA CharGel

ORAL GEL FOR ADULT CATTLE OR CALVES- BLACK

## A Premium Charcoal-based Gel with Electrolytes for Digestive Upset

Feed as a nutritional support during times of digestive or intestinal stress.

Calf – 60 g single dose syringe (20 per case)

Adult – 335 g tube (12 per case)

Calves – administer contents of entire tube

Adult cattle – administer at least ½ contents of entire tube  
(may be repeated for up to 3 days)

---

### Features:

- ◆ Key ingredients help to normalize contents of the gastrointestinal tract
- ◆ Charcoal as an adsorbent

---

### Benefits:

- ◆ LIRA CharGel has been specifically designed to include complementary ingredients to adsorb toxins, bind pathogens, and foster re-establishment of normal digestive efficiency and consistency of gastrointestinal contents.
- ◆ **For best results, use in conjunction with the comprehensive LIRA Animal Health program.**

---

LIRA CharGel provides an excellent source of ingredients known to support resumption of normal consistency of intestinal contents, along with providing binders, adsorbents and detoxifiers.

Use LIRA CharGel during periods of digestive upset and/or diarrhea, or when charcoal and electrolyte supplementation is warranted.

# LIRA GOLD® CharGel Calf

## Oral Gel for Calves
