

LIRA MicroGold Pecti-MOS

CAPSULES FOR ADULT CATTLE - BLACK

A Premium Capsule for Digestive Upset Featuring Charcoal, Fiber, Beta-glucans, MOS and Vitamins A, D & E

Feed as a nutritional support during times of stress during shipping, diarrhea or digestive upset, or when fat-soluble vitamin supplementation is warranted.

12 gram gelatin capsules
40 count pail (6 per case)
128 count box

Two (2) to four (4) capsules per head
(1 time per day, for up to 3 days)

Features:

- ◆ Key ingredients help to normalize contents of the gastrointestinal tract
- ◆ Mannan oligosaccharides (MOS) help establish healthy microflora in digestive tract, promote enhanced immune function and bind pathogenic bacteria
- ◆ Charcoal as an adsorbent

Benefits:

- ◆ Each LIRA MicroGold Pecti-MOS capsule has been specifically designed to include complementary ingredients to adsorb toxins, bind pathogens, and foster re-establishment of beneficial bacteria that aid in digestive efficiency and immune function.
- ◆ **For best results, use in conjunction with the complete LIRA MicroGold capsule program.**

LIRA MicroGold Pecti-MOS capsules provide an excellent source of ingredients known to support resumption of normal consistency of intestinal contents, along with providing binders, adsorbents and detoxifiers.

Use LIRA MicroGold Pecti-MOS capsules during periods of digestive upset and/or diarrhea, or when fiber, electrolyte and/or fat-soluble vitamin supplementation is warranted.

LIRA MicroGold Pecti-MOS capsules also provides an 'industry leading' source of vitamins A, D₃ and E in capsules designed for this purpose.

MicroGold Pecti-MOS
